

Sample Student

Grade 10 • Upper School • The Awty International School • 2026–27

603 → **673**

ADVANCED

You grew in **all six** of Awty's values this year. Your strongest is **Curiosity** (Exemplary, 772), also where you grew most: up 131 since September. You answered in English and in French; both count the same.

YOU SHINE IN

Curiosity

You follow a question until you find who is missing from the answer.

EXEMPLARY • 772

"I used to think history was just dates. Then I read my great-grandmother's letters and kept asking who she was writing to. Now when I read any source, I ask who's missing from it, and I go look for them."

FRANÇAIS • ORIGINAL

Le mercredi, j'aide des élèves de CE2 à lire en français. Il y a un garçon qui venait d'arriver du Brésil, il comprenait pas mes explications. Au début j'ai cru qu'il faisait pas d'effort. Puis j'ai remarqué qu'il comprenait mieux avec des images, parce qu'il pensait encore en portugais. Alors j'ai changé ma façon d'expliquer. Maintenant il me lit une page entière !

ENGLISH • TRANSLATION

On Wednesdays, I help third graders read in French. There's a boy who had just arrived from Brazil, he didn't understand my explanations. At first I thought he wasn't trying. Then I noticed he understood better with pictures, because he was still thinking in Portuguese. So I changed how I explain things. Now he reads me a whole page!

1 YOUR NEXT STEP • COURAGE

Step Forward Without Being Asked

Courage is at Competent, 596. Volunteer for one thing that scares you a little: lead the next group presentation, or ask the first question in class. Then write down what you would do differently.

2 FOR YOUR ADVISOR • A CONVERSATION STARTER

"Who Is Missing From This Answer?"

Curiosity grew 131 points. Ask: what question are you carrying right now? Which IB or Bac course, club or summer project would let you chase it, and who could you interview?
